OUR HISTORY

Jupiter Traders, founded in **1965**, is one of the most innovative business entities engaged in the realm of **Authorized Dealer and supplying** a comprehensive range of Precision Thread Gauge, Miniature Thread Gauge, Dial Gauges, Caliper Products, Precision Micrometers, External Micrometer, Internal Micrometers, Spline Gauge, Electronic Probe, and many more.

We believe in providing all of our customer's diverse and rising needs with dominance inside the specified time frame. Furthermore, all labor, from the procurement of basic materials to the final shipping, is separated into multiple subdivisions to ensure that jobs are completed efficiently. In addition, to keep a close eye on their procedures, we have assembled a strong and professional team of employees that are working tirelessly to uphold the reputation our business has established over the years.

Our preliminary customers included companies in the industrial sector and the government and supplied mainly in the BARC area.

After a few years, we became authorized dealers for Horstmann India Pvt. Ltd (HIP), a company primarily manufacturing thread gauges. We are proud to say that we introduced Horstmann India Pvt Ltd to the Mumbai market. Our partnership with Horstmann India Pvt. Ltd. continued as HIP became BAKER and expanded their product range. We provide all products of **BAKER** and are proud of our relationship with **BAKER**

Over the past several years, we have worked with new agencies including Piryamid, Micron as well as Cyclo. We have also expanded the range of products we offer including Thread Gauges, Calipers , Micrometers , Dials , Plain Plugs, Setting Rings, Measuring Pins and many more.

We always strive to deliver the highest quality products and service at competitive prices to our valued customers and highly value our customer's satisfaction.

We are thankful to everyone who supported us along the way and our fantastic team, including Mr. Maheshbhai, Mr. Kishorbhai, Mr. Rajubhai, Mr. Shekharbhai, Mr. Subhashbhai and everyone who helped our company reach the great heights it is at today.
